Terms of Course Approval
Maritime Institute of Technology & Graduate Studies
35-Hour Marine Propulsion course

1. All examinations the student takes to successfully pass the course must be different from any examination he or she has previously taken or did not pass. (46 CFR 11.303(c)).
2. For at least one year after the end of each student's enrollment, you must maintain on file their examinations, a report of practical tests administered, and a record of their classroom attendance. (46 CFR 11.303(d)).
3. Any proposed change to the course, including a change of simulators or training aids, or changes or additions of instructors must be submitted to this office for evaluation and written approval. (46 CFR 11.303(e)).
4. Any proposed modifications to your approved training facility must be submitted to REC Baltimore.
5. You must allow, at any time, the National Maritime Center, or a designated representative, to:
 - a. Inspect your facilities, equipment and records, including scholastic records;
 - b. Interview and survey students to aid in course evaluation;
 - c. Assign personnel to observe or participate in the course of instruction, with or without prior notification; and,
 - d. Supervise or administer the required examinations or practical demonstrations. (46 CFR 11.303(f)).
6. Per Enclosure (1), paragraph d. (2), of Navigation and Vessel Inspection Circular (NVIC) 5-95 and Volume III, Chapter 7, paragraph L., of the Marine Safety Manual, all course renewal requests are required to be submitted to the National Maritime Center at least 90 days before the current approval expires.
